Forecast For Wales
Issued by Met Office Exeter
at 1600 on Saturday 03 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A largely dry evening with further showers overnight.

This Evening and Tonight:
Clear spells developing this evening and early night as most places become dry, although with a few isolated showers remaining across the country. Cloud building up for later, with further outbreaks of showery rain spreads from the south. Minimum temperature 14 deg C (57 deg F).

Sunday:
A cloudy start with outbreaks of showery rain at times through the morning. A few sunny spells developing for later along with showers, locally heavy and perhaps thundery. Feeling warm. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Sunny spells and showers early Monday, before turning cloudy and windy with outbreaks of heavy rain. Strong winds and showers on Tuesday. Breezy with sunny spells and showers on Wednesday.
